The Starry Night by Vincent van Gogh

List the materials and tools used in completing your project:

I used Kencom 30x40 canvas, Mont Marte round brush number 1, round brush number 3, round brush number 5, round brush number 2 1/2, flat brush number 5/8, V-TEC acrylics, and Echo Art acrylic Paint Morandi.

Describe the step-by-step procedures used to complete your project:

First, I search for a reference. Then, I prepared all the materials and tools that I needed. After that, I lightly sketched the design on the canvas. Next I started painting from the top of the canvas and worked my way down. I painted the background first, then added the objects and details.
