Natural: My light is natural, coming from the sun.

Artificial:

Describe how you came to your end result and why you chose this subject:

I chose this image because I was at the beach and I wanted to take a picture of it. This is how I took a picture of it. First I saw the wooden wall, then I borrowed my mum's phone, stood on the sand to get the leading lines into it perfectly and took the picture. My photo is unedited because I like it as it is.
