Artwork MUST NOT be copied.

Please list the details of the source(s) of your ideas (e.g. book title/author, photographer's name, web address - not Google!) My teacher showed me several photos, and I found one that I liked and used it as a guide for my watercolour.
List the materials and tools used in completing your project: I used watercolour paints, several round brushes, water, a paint palette, and watercolour paper.
Describe the step-by-step procedures used to complete your project: I started by sketching out the picture, then started painting the walls and the windows. Then, I painted all the plants and flowers. Finally, I painted the bike and added smaller details, like shadows, outlines, and others.
