Please list the details of the source(s) of your ideas (e.g. book title/author, photographer's name, web address - not Google!) My sources are bec6fa39dfa0337f7291e96804c5481e.jpg (750 x 1000). I used this image as inspiration.
List the materials and tools used in completing your project: I used felt tip pens pinks, greens, and blues. Coloured pencils a black one, and green ones. A medium watercolour brush and green water colour paint.
Describe the step-by-step procedures used to complete your project: First I sketched my bird and then coloured it with felt tip pens. I cut it out and then stuck it on a green water coloured background. I stuck on trees which are pieces of string then I drew leaves with felt tip pens and shaded them with green coloured pencils. I coloured tissue paper with felt tip pens and stuck them on. Then I did my signature. My finished artwork is a mixed media bird in a forest.
