List the materials and tools used in completing your project:

eraser pencil, 6B pencil, HB pencil, eraser, iPad A16, A4 paper

Describe the step-by-step procedures used to complete your project:

1. I started with sketching out the hand and the garment.
2. I started dotting the main areas to get a rough shape and image with a HB pencil
3. I shaded by using a 6B pencil for the darker areas.
4. I used the eraser pencil to lighten up the areas that were darker.
5. I put up the finishing touches and signed the art.
