Please list the details of the source(s) of your ideas (e.g. book title/author, photographer's name, web address - not Google!) I found my Ideas from Pinterest
List the materials and tools used in completing your project: materials = Canvas, Paint brushes Tools = Acrylic paint, paint brushes and a pencil
Describe the step-by-step procedures used to complete your project: first, I sketched the design on the Canvas using a pencil, then I covered the Canvas with the blue paint. After the paint dries, I used green to make the furthest back ground. When it dries, I kept adding more layers and more flowers at the front of the layout.
