I use my own imagination to draw out a sun set.

List the materials and tools used in completing your project:

- Water colour
- Canvas
- A4 Paper

Describe the step-by-step procedures used to complete your project:

Step 1: I imagine a beautiful sunset pic.

Step 2: I lightly sketch the scene, like drawing the horizon and the sun.

Step 3: I wet the sky area, I use clean water to dampen the sky so the colours blend smoothly.

Step 4: I paint the sky and the sun setting.

Step 5: And finally the landscape, like the ground, trees, mountains or waters using darker colours.
