State the purpose, or reason for your project:

The purpose of my project is to learn how the crown will be passed over. And also I want to learn about the extended family that's why I choose this project.

Record the process or steps used in preparing your project:

Firstly I did two trials my first trial I searched for the royal family tree secondly I got the information from my teacher for a third I wrote the family tree. Second I asked my teacher for a chart and she gave it to me then I at the flip chart and draw the royal family tree that's the steps I used for doing my royal family tree.

What has been illustrated, or what is the conclusion drawn from your project:

The conclusion for my project is that how the crown will be passed over from generation to generations. That the conclusion for my project.

SOCIAL STUDIES REPORT - Continued

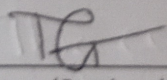

Give a Scriptural application or reference for your project:

In REVELATION 2:10 state that I will give thee a crown of life just like the kings of earth are crowned we will be crowned up in Heaven the crown of life.

Give a brief background of your collection or topic that you researched, and why you chose that particular item/topic:

Why I choose the royal family tree is because I don't know about the royal family tree. I know the name but I don't know about the extended family of the royal family. While I searched through Google I saw the information given about the royal family and the extended family. I don't know about the royal family and not the extended family that's why I choose to do the royal family tree.

First I did two trials first I searched for the royal family tree family I got the information that I got it from the first trial and I wrote the family tree. Second I asked my teacher for a chart and she gave it to me then I did the chart and drew the royal family tree that's the steps I used for doing my royal family tree.
