Pattern Notes

- Work in continuous rounds. Do not slip stitch unless otherwise specified by the pattern.
- For best results, assemble parts in order as directed.
- Weave in attachment ends at very end of project in case piece require repositioning.
- Rounds labeled "Short Rnd" are worked back and forth and will end before the round is complete, leaving stitches deliberately unworked to be worked in later rounds as instructed. This will create the curve of the tail.

Pattern Stitches

- **Bobble-st – Bobble stitch:** [Yo, insert hook into st, pull up a loop, yo, pull through 2 loops on hook] 5 times in same st, yo, pull through all 6 loops on hook.
- **Back stitch:** Working in a line, insert needle through first st, bring up through next st, insert back through first st. Repeat.
