				Light Meter (Exposure):	

Lighting Conditions:

Natural:

Artificial: *The light in the car & motorcycle showroom made an excellent studio light.*

Describe how you came to your end result and why you chose this subject:

I chose this photo because I was a super big fan of super cool engines, and I originally took the photo to make it my profile picture to impress people. And I'm very delighted with the results, and I probably took the photo at 1:05 P.M.
