## OPTION 1 – WOODEN BOTTOM

For attaching the yarn to the wooden bottom, you will start crocheting on either side of the bottom going counterclockwise (for right-handed crocheters). Just remember that the side of the bottom that is facing up is the inside of your basket.

Keep in mind that the first two rows are crocheted in this same direction, i.e. counterclockwise, and you keep the hook on the inside of your basket. However, when you start crocheting the body of the basket, you will turn your work so that your hook is on the outside of the basket, and the direction of the rows will grow clockwise if you look at the basket from above.

### Let's Do It!

**Round 1.** Using your yarn in color 1, attach the yarn to the round wooden base for crochet baskets. To attach the yarn, sl st in any of the holes and make 1 sc into that same hole.

- For wooden bottoms with **53 holes**: Make \*2 sc, 1 inc\*. Repeat in between \* until the end. Join as described above. (70 sts)
- For wooden bottoms with **45 holes**: \*(1 Inc, 1 sc) 4 times, 1 inc. Repeat from \* other 4 times. Join as described above. (70 sts)

**Round 2.** Ch 1, sl st in front loops only (each loop facing the inside of the basket) all around. Join. (70 sts)

When you start working the body of the basket, these sl sts might be curling toward the inside of the basket. If this is the case, just push them out with your hand to make the sc stitches.

## OPTION 2 – CROCHET BOTTOM

With yarn in color 1, make a MC.

Remember to join each round with a sl st.

**Round 1.** 7 sc in MC.

**Round 2.** 7 inc. (14 sts)

**Round 3.** (1 sc, 1 inc) 7 times. (21 sts)

**Round 4.** 1 sc, 1 inc, (2 sc, 1 inc) 6 times, 1 sc. (28 sts)

**Round 5.** (3 sc, 1 inc) 7 times (35 sts)

**Round 6.** 2 sc, 1 inc, (4 sc, 1 inc) 6 times, 2 sc. (42 sts)

**Round 7.** (5 sc, 1 inc) 7 times. (49 sts)

**Round 8.** 3 sc, 1 inc, (6 sc, 1 inc) 6 times, 3 sc. (56 sts)

**Round 9.** (6 sc, 1 inc) 7 times. (63 sts)

**Round 10.** 4 sc, 1 inc, (8 sc, 1 inc) 6 times, 4 sc. (70 sts)

**Round 11.** Flip your base so that the wrong side is facing up. Insert your hook under the post of the last sc of round 10, and make 1 sc. Keep making sc around the post of the sts from round 10 until the end. (70 sts)

You have now created a sc baseline round that will allow you to crochet a very straight basket.

To crochet the body of the basket, you will have to ch 1 and turn your work so that you can work the next rounds on the right side of your basket, i.e. the outside. See panel 4 in the image below to understand.
