List the materials and tools used in completing your project:

Pencil, A4 paper, blue, pink, grey, black, yellow, orange, green red pencils

Describe the step-by-step procedures used to complete your project:

I picked up my paper and pencil and slowly drew a rough outline. Then I got all the colored pencils above and started my work. I needed to finish off the seat, it had a pink tint so I added pink then I overlaid it with blue. I then shaded the rest.
