Please list the details of the source(s) of your ideas
(e.g. book title/author, photographer's name, web address - not Google!)

I got my idea from Pinterest

List the materials and tools used in completing your project:

materials = drawing book, a pencil Tools = a pencil, an eraser, and a Q-tip

Describe the step-by-step procedures used to complete your project:

First, I sketched the head of the jelly fish then shade the folds before moving onto the tentacles. I drew the tentacles and used the eraser to add highlights. When the big tentacles are done, I used quick movements to make the smaller tentacles
