Describe your source(s) of ideas (eg. photo, library book/video):

I got my idea from crochet jellyfish pictures online.

List the materials used in completing your project:

Dark blue yarn, blue yarn, white yarn, crochet hook, stuffing, scissors, yarn needle.

Explanation of project (changes made to pattern etc.):

I made a crochet jellyfish using dark blue, blue and white yarn. I crocheted the head first and then added the tentacles. I used different shades of blue and white to creat an ocean theme. I followed a basic jellyfish crochet pattern and adjusted the colours to make it unique.
