Natural: The lighting was natural			
Artificial: The lighting was artificial			
Describe how you came to your end result and why you chose this subject:			
I found the flower lying outside my house, its petals bright and inviting as if it had been placed there just for me. It was a Queens Reef flower, also called the Mexican Creeper, I chose it because its simple beauty stood out in that quiet moment, making me feel like nature had left me a small gift.
