I used natural lighting			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
While visiting a farm with my family, I was surrounded by stunning fields of sunflowers and various flowers, but the field of Lacy Phacelia truly stood out. The vast expanse of purple was so magical and unique that I felt compelled to capture it. I chose this landscape to document the scale and beauty of the field, as the color created a dreamlike atmosphere that I hadn't seen anywhere else.
