

The God of Abraham

1. The God of Abraham,
Is faithful and true;
Whatever He says,
He will do.

2. The God of Abraham,
Will provide for you and I;
So don't give up trying,
When things don't go right.

3. The God of Abraham,
Creator of day and night;
We think He is late,
But He is always on time.

4. So, when you are waiting,
For an answer from above;
Remember the God of Abraham,
With His never-ending love.
