A Candlestick

Describe the step-by-step procedures used to complete your project:

1) Firstly, I took half of the Clay and split it into two; to make two candlestick holders.
 2) I used a bit of water to smooth the Clay, making it easier to sculpt it. 3) I made sure to make smaller shapes of circles and rectangles, as their arms. 4) Then I used a candlestick to shape the clay inside, in order for it to stand. 5) After finishing sculpting clay, I made sure to leave it in the sun for the whole day. 6) When it's almost dried, I placed the "arms" on the sides, sticking it with water. 7) Leaving it to dry for another day. 8) Once they're completely dried, I used my Acrylic paint with my brush; mixing white and
