Lighting Conditions:

Natural: The photo was taken in bright outdoor daylight.
Artificial: N/A

Describe how you came to your end result and why you chose this subject:

I chose this subject because he is always happy to see me and has a very sweet personality. I waited for him to sit still and look right at me so his face would be nice and clear. I wanted everyone to see his calm face and his pretty eyes as the most important part of the picture.
