Artificial:

Describe how you came to your end result and why you chose this subject:

Returning from my cruise, I was struck by the breathtaking view of the horizon as the sun began to set. The sky was painted in warm tones of orange, pink, and gold, reflecting beautifully across the calm waters. I decided to take a photograph of this scene recognizing how perfectly it fit into my "Scapes" category for the convention event. This sunset photo serves as a reminder of the quiet yet powerful moments that can define an experience, turning an ordinary evening into something extraordinary.
