Describe your source(s) of ideas (eg. photo, library book/video):

I thought of it while going to church. I really wanted a church bag so I just made one and I ended up submitting it as my knitting project.

List the materials used in completing your project:

- two 6mm needles
- one dark blue yarn
- one white yarn

Explanation of project (changes made to pattern etc.):

The first thing I did was make the body of the bag. It was two knitted dark blue squares that I attached together, and turned it inside out. Then I made the handle with the white yarn. I looked over the bag if there was loose ends and fixed them, and then it was done.
