List the materials and tools used in completing your project:
wood block; hammer; nails; G-clamp; wood glue; Small chain, screws, screw driver; varnish, ruler, hand saw, Sandpaper.

Describe the step-by-step procedures used to complete your project:
I Searched up the idea on the internet. After making my roughdraft, I measured the sizes on the board and started cutting. I measured the fittings into place and nailed them together. I used screws to tighten the joint. I sanded the entire board and finished the project off with varnish.
