I took a Photo of the sunset in Suva.
 I use the verse from the Bible.

List the program(s) (e.g. Adobe® InDesign®, Microsoft® Publisher®) used to design the poster:

I used - Canva to design my poster.

Describe the step-by-step procedures used to complete your project:

1. When I was visiting my family in Suva, I saw a beautiful sunset and took a photo of it.
2. I decided to use it for my poster since it goes together with one of my favorite Bible verse (Ps. 113:3)
3. I used Canva to design my poster. First I used a template and added the photo. Then typed in the Bible verse.
4. When I was happy with how it looked I saved it, then printed it out at the Bookshop near my home.
