Describe how you came to your end result and why you chose this subject:			
I took this photo on the Waihi Beach Trig Walk when I had picnic on the Waihi beach in Waipu.			
When I editing this photo, I increased the light balance and the color saturation...			
The reason I chose this photo was because it had a nice weather on that day and it was a lovely place.			
(I'll suggest people to have a holiday with their family there)
