Lighting Conditions:

Natural: Taken in the morning under the shade of a roof, with strong natural sunlight and clear lighting conditions

Artificial:

Describe how you came to your end result and why you chose this subject:

I decided to take a photo of the delicious meal at the restaurant because it looked too good not to capture, I was seated under the roof, enjoying the shade, while the sunny weather outside added a warm, inviting atmosphere to the moment.

I chose this subject because the food looked especially appetizing and the sunny atmosphere made the moment feel warm and enjoyable, which I wanted to capture.
