wood block, wood carving chisels, hammer, G-Clamp, hand saw, sandpaper, wood varnish.

Describe the step-by-step procedures used to complete your project:
I searched up the image on the internet. I printed out the picture and drew it on the woodblock. I Carved the outline of the cross, then shipped off the excess wood. I used a hand saw to shape the cross. I used sandpaper to smooth out the cross. Lastly, I painted the dove cross with varnish.
