Describe how you came to your end result and why you chose this subject:

As I reached the intersection leading to our street, I noticed a cluster of beautiful red flowers that immediately caught my attention. The sky was clear and the weather was pleasantly breezy, which made the moment feel especially refreshing. I decided to muse for a moment, take it all in, and capture a photo of the vibrant flowers against the bright, open sky. I chose this subject because the vibrant red flowers stood out.
