Describe how you came to your end result and why you chose this subject:

The cat in this photo has soft, gray fur and a calm, steady gaze. It's upright posture shows alertness and confidence, ~~and~~ while it's slightly serious expression gives it a thoughtful and intelligent appearance. The neutral background keeps the focus entirely on the cat, making it the clear subject of the ~~img~~ image. The lighting highlights the texture of it's fur and enhances the peaceful mood of the scene.
