List the materials and tools used in completing your project: Canvas, black paint, empty squeeze bottle, gold paint, and a silver metallic paint.
Describe the step-by-step procedures used to complete your project: 1. I first painted my canvas black, let it dry and then added some more black paint to add more texture. 2. I left it to dry. 3. When it is dried, I then squeezed in gold paint to form a round motion. 4. The golden circle was then painted with silver.
