List the materials and tools used in completing your project:

a 148mm x 210mm sketch pad paper, twelve
deli colored pencils

Describe the step-by-step procedures used to complete your project:

One afternoon, I ran outside and was
amazed at the view. I took my phone out and
took a picture. Then, using the picture as a
guide, I drew half imaginatively and half
according to the picture. In the middle of
my drawing, my ideas left me. I was left
without any idea what the next half of my
picture will look like, so I paused the project.
Then, after two weeks, I suddenly noticed the
sky turning orange. I ran outside and drew
