| <p>List the materials and tools used in completing your project:</p> <p>paper A4<br/> rubber, rubber pencil<br/> ruler<br/> smudgers<br/> pencils, 2b, 6b, 5b, F, 4b, charcoal</p>                                                                                                                                                                                                                                                                                                                                                    |
| <p>Describe the step-by-step procedures used to complete your project:</p> <p>Step 1: I found my inspiration photo, printed it off, and gathered together all the resources I would be needing for my sketch.</p> <p>Step 2: I begun with sketching my tower and finishing with the detail of the tower, then I begun doing a rough sketch of the trees, bushes, and rest of the background. I slowly began detailing each part of my picture, then finished it off with the leaves on my trees and the dark parts on my picture.</p> |
