Describe how you came to your end result and why you chose this subject:

This wall print hangs in our living room and I decided to use it for general photography because of its Christian message 'JESUS IS LORD'. I turned on the living room light so we could see it better, but the power socket was in the photo. Then I moved closer until it was out of frame. I also decided to take a third photo but with the camera flash, which made the colors more vibrant. The photo I sent in was the third one taken with the camera flash.
