

Title: "You Were Made for a Purpose"

By anonymous

Good day everyone.

Have you ever looked at the stars at night...
and wondered how big the universe really is?

Billions of stars.
Millions of galaxies.

And yet... in the middle of all that greatness...

God knows you.

Not just your name.
Not just your face.

God knows your dreams...
your talents...
and the amazing future He has planned for you.

Sometimes as high school students, we compare ourselves to others.

We look around and think:

"They're smarter than me."
"They're more talented than me."
"They're more confident than me."

And before we know it, we start believing that we are somehow... **less**.

But the Bible reminds us of something very important.

In **Psalm 139**, it says that we are "**fearfully and wonderfully made.**"

That means God didn't create you by accident.

He didn't rush when He made you.

He carefully designed you...
with your personality...
your abilities...
your voice...
and your purpose.

Imagine an artist painting a masterpiece.

Every color is chosen carefully.
Every brushstroke has meaning.

That is exactly how God created you.

You are not a mistake.
You are not ordinary.

You are part of God's masterpiece.

And here's something even more amazing.

God didn't just create you...
He also gave you a **purpose**.

Maybe your purpose is to encourage others.

Maybe your purpose is to lead.

Maybe your purpose is to use your talents to make the world a better place.

But whatever your purpose is...

God has already placed something special **inside you**.

In **1 Timothy 4:12**, the Bible says,

"Don't let anyone look down on you because you are young,
but set an example for believers in speech, in conduct, in love, in faith, and in purity."

Did you hear that?

Even as young people...
we can make a difference
