Describe the step-by-step procedures used to complete your project:

First I chose my picture, then I drew the horizon line. Next I painted the base layer and then the other sunset colours. Then I painted the surround sky, next I did the ocean's base colour and colours. Then I painted the bluish purple lines. After that I drew the palm trees and painted lines on them that took me forever. Finally, I continued doing the shore line in apricot and did my signature. PTO
