				Light Meter (Exposure):	

Lighting Conditions:

Natural: The sun.

Artificial:

Describe how you came to your end result and why you chose this subject:

Our landlord's garden is very vibrant and abundant with various flowers and plants. I took pictures of several flowers after a rainy day when the sun came out. I took it close up when other flowers were in the background of previous shots. Eventually I settled on this one after trying to choose which to send in.
