List the materials and tools used in completing your project: Mont Marte Coloured Pencils Rubber Weibo Sketchbook.
Describe the step-by-step procedures used to complete your project: 1) I used my orange coloured pencil as the main colour for the Pumpkin. 2) I made sure to use yellow as the lighter part of the pumpkin. 3) While using light brown mixed with orange as the pumpkin's shade. 4) Then I used both green and grey for the sprout. 5) Lastly, I used my rubber to rub out any mistakes.
