Describe the step-by-step procedures used to complete your project: I chose an image online and then printed it. Then I drew a grid in my image and then grid my A4 paper. Then I sketched the outline, then the eyes, the tie, the tail and the ears. Then I darkened the body, but then I darkened it more, because it looked too light. I highlighted some areas in the cat, and I think it looks pretty good! Then I added texture in the fur of the cat and grass around him. Then I smudged some of the background and highlighted some of the background. Then I did the signature on the right side of the cat and
