Artificial:

Describe how you came to your end result and why you chose this subject:

On a Tuesday morning, my dad and I had to go to the fuel station. While my dad went inside the station to pay, I saw this Porsche parked and fueling up, and so I decided to take a picture of it. I chose this subject because it was a car that I never saw, and those types of cars we do not get the chance to see it here in Fiji.
