Artificial:

Describe how you came to your end result and why you chose this subject:

This photography was taken by me during a christmas party in Market cove Island. I was really inspired by God's beautiful creation, especially the peaceful ocean breeze blowing to my face, the island scenery, and the birds flying over the ocean. I picked this scene because it tells me how calm and it shows God's glory in creation. I took this shot carefully so i could capture this moment.
