## Lighting Conditions:

Natural: The sun was the light.

Artificial:

Describe how you came to your end result and why you chose this subject:

I was going for a walk on the beach with my aunty, when we came across the sun setting beautifully behind the calm ocean. Right at that moment, I got my aunties phone and had to take the picture because it was pretty.

The reason I chose this subject was because the sun was right there and it intrigued my eyes.
