I got my inspiration from a photo I saw online and decided to do something similar

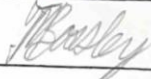

List the materials and tools used in completing your project:

I used crayola coloured pencils, a rubber, and a ruler.

Describe the step-by-step procedures used to complete your project:

I first created an outline of my drawing then I proceeded to pick out the colors that I wanted to use. Once I had completed that, I started to colour in the picture I had chosen. After I had coloured in my drawing, I framed it.
