State the purpose, or reason for your project:

The purpose of the project is to educate people about the July Crisis.

Record the process or steps used in preparing your project:

I began to write it on paper whilst researching on computer. That was taking too long so I began to type it on computer, but it got deleted so I had to type it twice. Once that was done I went back to correct any mistakes. I printed it and some fun facts and images I found. Me and Brooklyn then cut the cardboard and we began to paint it. We also cut some letters out and Brooklyn glued them to the title board which he painted. We finished by gluing the text, fun facts and images on.

What has been illustrated, or what is the conclusion drawn from your project:

My conclusion is that World War I began because of 5 main reasons: rivalries in Europe, alliances, the assassination of Franz Ferdinand, the blank cheque and Russian mobilization.

Give a Scriptural application or reference for your project:

No one relied on God at a time they should have.

Give a brief background of your collection or topic that you researched, and why you chose that particular item/topic:

The July Crisis is the month long chain of events that lead to World War I. I chose it because I've always found World War I and its causes interesting and I thought I could turn it into a good story.
