Use this form for all Manual Arts entries EXCEPT for any Needlework

Purpose or use of item: Display item for the home or office

Describe your source(s) of ideas (eg. photo, library book/video):

I got my idea from a social site. There were alot of clay work ideas and I chose this one since I'm from the Coast.

List the materials and tools used in completing your project:

1. Clay
2. Water
3. Small molding wood

Describe the step-by-step procedures used to complete your project:

1. first I wet my hands because the clay was abit hard. Water helps to mold it into the desired shape.
2. Mold into my desired shape and with the help of my molding wood I smoothen out my whale.
3. Then I used abit of water to smooth out all the joints and smoothen my piece.
