Natural: From the sunlight in the middle of a sunny day.

Artificial:

Describe how you came to your end result and why you chose this subject:

I had an event in Bali where I attended to participate in an Orchestra. After the event, (a day after) my brother wanted to go to this special place. This statue is of Balinese and is the largest at the attraction. This statue was at Patung Garuda Wisnu Kencana and this place is especially special for this statue.
