

Praise from Every Horizon

From where dawn awakens to where daylight fades,

A chorus of praise ascends to God.

From every horizon beneath the heavens,

The name of Jesus is lifted high.

Across the islands, through quiet valleys,

And over the highest mountain peaks,

His glory shines where hearts are open,

His greatness echoes through the earth.

No place is hidden from His presence,

No soul is beyond His reach.

The winds bear witness to His mercy,

And creation sings of His faithfulness.

Jesus, precious Jesus,

Above every name, forever exalted.

May every nation, every tongue,

Lift their voices in joyful praise.

My God, You are mighty and sovereign;

The earth bows before Your majesty,

Forever exalting

Your holy name.
