Lighting Conditions:			
Natural: The light is natural it is coming from the sun.			
Artificial:			
Describe how you came to your end result and why you chose this subject:			
I chose this image because it was cool and looked interesting. This is how I took a picture of it, first I saw it, then I borrowed my mum's phone, and I squatted down to get it in a perfect position and I took the photo. My picture is unedited because I like it as it is.
