| <p>Describe the step-by-step procedures used to complete your project:</p> <p>I first begun with selecting my inspo photo and printed it out. I then proceeded to select all of the pastels I would be using, and sharpening them. I started with my background first and continued to smudge them into a whole or ombred shape. Then I did my tulips, beginning with red, then some orange, a bit of purple, orange, and yellow. I lastly went along some of my lines with my black pastel and signed my name.</p> |

**Artwork Description:**

I have chosen a bright, vibrant and creative piece. It includes 3 tulips with a contrast of red, purple, orange, yellow, and a tint of black. The leaves are mixed with yellow and various shades of green. The background is a bright combination of yellow, orange, blue, purple, and pink, a few of those blended into an ombre.
