List the materials and tools used in completing your project:
The tools that I used in this project are a pencil, eraser, cotton, and A3 paper.
Describe the step-by-step procedures used to complete your project:
Firstly sketched the outline of the body of the fish. Next, I sketched the pectoral fins and dorsal fins. After that, I sketched the caudal fins, ventral fins and the pelvic fins. Next I sketched the scales of the fish and lines to show details of the fins. Finally I blend the fins of the fish.
