Purpose or use of item: Wall decoration (for student convention)

Describe your source(s) of ideas (eg. photo, library book/video):

I picked out the idea on tiktok. There were alot of them but this one picked my interest and so I chose it.

List the materials and tools used in completing your project:

- Small size board (ply wood) to the size of my project
- Cutters, sharp tools, blade
- wood glue
- pencil

Describe the step-by-step procedures used to complete your project:

- first I choose a piece of ply wood and sketch my picture down on it.
- Next I cut out the different shaped pieces and I begin to assemble them on the sketched ply wood.
- After I assemble them I begin to glue the into place
- Finally my patch work is done
