	Manual ☒		Shutter Speed: 1/50s
			ISO: 654
			Light Meter (Exposure): 43

Lighting Conditions:	
Natural:	It is natural
Artificial:	

Describe how you came to your end result and why you chose this subject:
I looked for a place with a beautiful view, I waited until the lighting was good, just before the sunset, I held my phone steady to avoid blurry picture, I made sure the sky, plants and the surrounding vehicles were all in frame and finally I adjusted the angle until I was happy and pleased with the composition. I chose general subject because it allows me to capture the beauty of everyday surroundings.
